

Draw a colorful easter picture

Aufgabe: Lies den Text und male das Bild dazu. Viel Erfolg!

Start with the blue sky and a bright yellow sun. Then add the meadow to the bottom of the picture. Now make an easter bunny with his long ears. In the face of the easter bunny are two eyes, a muzzle with two long front teeth. For the easter bunny you can use all the colors you want. You could also wear him a pair of pants and a shirt or an apron. Now put few colorful flowers and many colorful easter eggs on the painting. If you want, you can still paint children, little chicks or even a whole easter bunny family on your picture.
